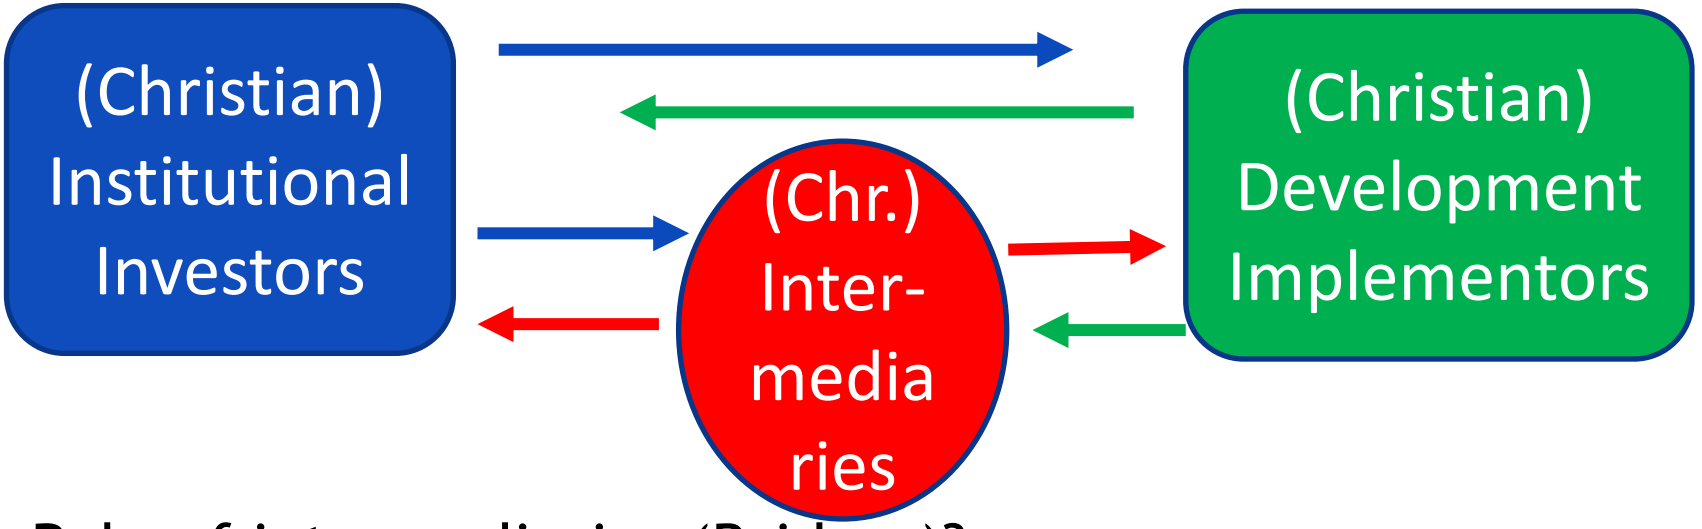
Building Trust and Bridges between Donations and Investments: Questions

1) Trust: how to build trust for potential cooperation?
2) Seize of capital: Dev projects needs 100'000, investors needs to place 10 million: scaling and pooling?
3) Competences/skills: complimentary? Contradictory?
4) Faith and values: common values? SDG objectives?
5) Data and Risk management: different data needs?

Building Trust and Bridges between Donations & Investments: Intermediaries



Role of intermediaries (Bridges)?

1) Specialized services. Consultancy. E.g. data providers
2) Matchmaking investors-implementors
3) Education/trainings/building trust
4) Funding: who pays intermediary/bridge services?

Examples: ACT Alliance, AACC, FaithInvest, GAF, UN, Gov
